

13th International Conference on Advanced Technologies, Systems and Services in Telecommunications

TELSIKS

First CALL FOR PAPERS

Serbia, Niš, October 18 - 20, 2017

2017

We are pleased to inform you that the 13th International Conference on Advanced Technologies, Systems and Services in Telecommunications - TELSISKS 2017 will be held from 18 to 20 October 2017, at the Faculty of Electronic Engineering, University of Niš, Serbia.

Niš is an administrative, economic and cultural centre of the South-East Serbia, 240 km away from Belgrade. This city stands on the site of the Roman settlement of Naissus, the birthplace of Emperor Constantine the Great, in the valley of the river Nišava. There is a number of the ancient monuments in the city that testify about its stormy history. Niš is known as the greatest gate between East and West, because it is on the crossroad of the international highway, railway and air traffic. Niš is a well-known university centre in Serbia, and Europe as well. Faculty of Electronic Engineering, one of the organisers of the conference is one of the most prestigious academic institutions in the country.

ORGANIZATION AND SPONSORS

Organized by Faculty of Electronic Engineering, University of Niš, Serbia and Society for Microwave Technique, Technologies and Systems (MTTS), Serbia.

Under auspices of Serbian Academy of Science and Art, Serbian Ministry of Education, Science and Technological Development, Serbian Ministry of Trade, Tourism and Telecommunications

In the co-operation with Academy of Engineering Science of Serbia, IEEE Serbia and Montenegro Section, Serbia and Montenegro IEEE MTT-S and IEEE ComSoc Chapters, National Society for Telecommunications, Society for ETRAN
